Ziel HSK 3

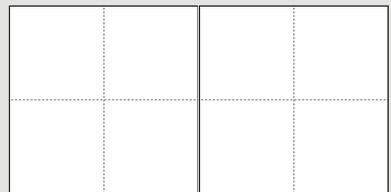

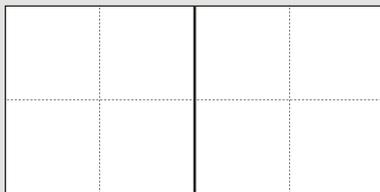

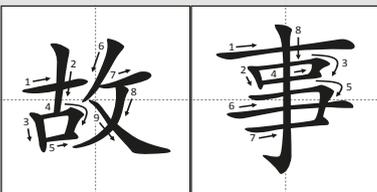

Vokabeltraining

Übungsbuch für den Basiswortschatz Chinesisch (Niveaustufe B1 des Europäischen Referenzrahmens):

Anhand des neuen HSK 3 sind passend zur Lehrreihe „Ziel HSK 3“ die Lernwörter mit ihren Schriftzeichen zusammengestellt worden. Die Vokabeln können in zahlreichen Formularen schreiben geübt werden.

Jede Vokabel ist mit ihrer deutschen Bedeutung und der Aussprache in Pinyin angegeben. Zusätzlich gibt es zu jeder Vokabel eine große Darstellung der Schriftzeichen mit Strichrichtung und Strichreihenfolge sowie viele Übungskästchen, um das Wort schreiben zu üben.

Die Schreibkästchen gibt es in zwei Größen. In den großen Kästchen können die genaue Schreibung und die Schreibästhetik nachvollzogen werden. Die kleinen Kästchen dienen zum Wiederholen.

Bei der Auswahl der Vokabeln wurde die Liste des neuen HSK 3 zugrunde gelegt und durch nützliche Wörter erweitert. Neue Wortkombinationen auf Basis vergangener HSK-Prüfungen wurden ergänzt. Die Zusammenstellung der Vokabeln entspricht den Lektionen des Buchs „Ziel HSK 3 – Chinesische Lesetexte mit Vokabeln und Grammatik“.

Zusätzlich erhältlich:

Ziel HSK 3 – Chinesische Lesetexte mit Vokabeln und Grammatik

Ziel HSK 3 – Chinesische Hörtexte mit Vokabel- und Nachsprechübungen

Ziel HSK 3 – Schriftliche Übungen für Grammatik und Wortschatz
